

For Immediate Release

V is for Virgin Islands, Children's Book Debut

Take a cultural journey to the United States Virgin Islands from A to Z. This new children's book will take you from Anansi stories to Zora's Custom shop. And that's just the fun part. This book also has several educational aspects as well.

The letters stand out on each page to help young readers with letter recognition. Colors and objects are 'hidden' in plain sight to help increase your child's vocabulary as well as create a fun reading experience as you and your child search to find them throughout the book. And for your older child(ren) who are beyond learning A-B-Cs or grew up in a different part of the world, it's a conversation starter on what it was like growing up in one of the most beautiful, cultural places on Earth.

St. Thomas, St. John, and St. Croix is just a bookshelf away. Add it to your collection.

Share your culture. Enlighten their minds. Make learning fun.
